

# Employ

Distributed teams anywhere in the world

**Multiplier**

## Who we are

- © Multiplier is a global talent enablement platform that facilitates international hiring
- © We save you the hassle of establishing a local legal entity to access talent in that country. Your team is legally employed by us in each country.
- © We also provide the full employment package of compensation and benefits, in compliance with local labor laws.
- © With our headquarters in Singapore, we have a strong expertise in Asian markets.

**All you need to know in one page**

## Benefits of using Multiplier

- © **Labor Compliance**  
We help ease your mind by ensuring local labor law compliance
- © **Quick Market Entry**  
We help expand your company's global footprint in a quick and easy way
- © **Distributed Talent Engagement**  
We give you access to a larger pool of talent, beyond your current geography
- © **Labor Arbitrage Opportunities**  
We facilitate hiring the best talent at a better price
